What stage should I book?

Sharks

Need water confidence, not swam
before or can swim a bit with aids

Beginners 1

Can swim a bit and are water
confident, learning to swim without
aids but still needs floats

If you're still unsure which group to book, please call us for advice.

Beginners 2

Are confident and can nearly swim
a length with no technique

Improvers 1

Can swim at least 3 of the strokes,
but need to improve on
stroke technique
