

The Jottings - 13th March 2026

St John the Baptist C of E Primary School

'Creating new possibilities for our future, with compassion in our hearts and courage on our journey.'

Dear St John Families,

What a week it has been.

It has been successful for all our children, but I wanted to take a moment to share just how proud we are of our Year 6 pupils and their achievements on their residential to Calshot.

We have been genuinely blown away by their determination, courage, creativity and the compassion they have shown towards one another. Every single child has been wonderful, and we are incredibly proud of each and every one of them.

Throughout the week, instructors and members of the public commented on how polite the children were, how well they listened, how they supported each other, and how they embraced every challenge with enthusiasm. They represented our school beautifully.

Residential are a wonderful 'extra' that we offer alongside our curriculum because they help children develop confidence, independence and a deeper sense of who they are as individuals and as part of a team. These experiences stay with them for years and play an important role in shaping their growing sense of self.

A huge thank you to Miss Sheppard, Miss Mullen, Mrs Walton and Mrs Mullen for attending the trip - their support and organisation ensured everything ran smoothly. Thank you also to those in school who supported the trip behind the scenes. And finally, thank you to our Year 6 parents for trusting us with your children and supporting us in giving them an experience they will remember for a very long time.

Behind the scenes, we are reviewing our curriculum and hope to build in another 'sleepover' opportunity for a different year group soon. Watch this space.

Thank you for your continued support.

Have a lovely weekend.

Spotlight on Year 1

This week Year 1 has been full of fossil fun! We have mixed, moulded and painted our own salt-dough fossils while carefully using our observational skill. Also, we have looked at some real fossils just like paleontologists. The children have been completely captivated by Mary Anning, discovering how she searched the cliffs of Lyme Regis and uncovered incredible fossils that changed what people knew about the past.

They've loved gathering fun facts about her and turning them into their own brilliant sentences.

A wonderfully creative, curious and prehistoric week in Year 1!

Snuggle Buddy Book Time

Snuggle Buddy Book Time- A reminder that we are just over half way through the term so hopefully all of KS1 are well on with completing their Snuggle Buddy Book Time ticket.

The next Snuggle Buddy Book Time session will take place in the school hall on **Thursday 26th March**, where children will enjoy sharing stories together. They are invited to bring in Pyjamas, blanket and a soft toy ready to snuggle with whilst we all enjoy some stories together. They will also receive a sweet treat this time!

Charity Day

Charity Day - At St John's we encourage our children to show kindness and compassion by helping those who are less fortunate than ourselves. On **Friday 27th March** we are holding our Annual Charity Day to raise funds for Classroom in the Clouds a charity based in Nepal supporting children access school and a better education.

The children have voted for a non school Uniform day on **Friday 27th March** for a **donation of £1**.

We will also be holding a bake sale in the playground after school on Friday 27th March. So bring some change to pick up!

If you are able to bake or donate a cake, cookies etc... please drop them off at the school office on Friday morning. **NO NUTS PLEASE!!**

Thank you in advance for your support.

Attendance Matters

Together, we can make sure every child makes the most of their opportunities and enjoys success.

This Week:

Whole school attendance average: **95.4%** Our target is **97%** - please come and chat with us regarding any attendance issues.

Best Attendance: KS1: Ducks 97.5% KS2: Dragonfly 98.4%

Best Timekeepers: KS1: Ducks 3 late minutes KS2: Otters 0 late minutes

**Welcome to our Community
Hub
Friday 27th March
9am - 10am**

We welcome all families to come along to our Community Hub.

Everyone is invited to join our Under 5s Stay and Play, access free advice, or simply enjoy a warm space, a chat over tea and cake with a member of school staff and the Church.

Stay and Play:

We've created a welcoming space where little ones can enjoy playtime, have a snack, and listen to a story.

Advice from our SENCO

If you have been unable to attend our SEND coffee mornings, please do come along and chat to Mrs Reilly for advice and signposting.

Meon Valley Food Bank:

Join us to discover simple, practical ways to boost wellbeing, improve nutrition, stay active, and build positive routines at home.

Green Cross Code Poster Competition – **Now Open!**

We are excited to launch our **Green Cross Code Poster Competition** as part of our work to promote road safety during the spring term.

Pupils are invited to design a bright, eye-catching A4 poster that encourages safe road crossing and highlights the key messages of the **Green Cross Code**. This is a great opportunity for children to be creative while also learning important safety skills.

Posters should include clear road safety messages such as:

- **Stop, Look, Listen, Think**
- Finding a **safe place to cross**
- **Staying focused and avoiding distractions** when near roads

The winning design will be entered into the Hampshire Road Safety competition, where it could be featured on wall planners, parent letters, certificates, social media and presentations shared with schools across Hampshire.

How to take part:

- Pupils should create a colourful poster promoting the Green Cross Code and safe road crossing.
- Posters can be drawn, coloured or painted and should clearly show the road safety message.

Please return completed entries to Miss Young by Thursday 19th March.

We look forward to seeing all of the fantastic and creative designs!

YouTube Safety Update: New Parental Controls

YouTube have published their latest update on how parents can support their child on YouTube. YouTube will now allow parents to set the amount of time viewing Shorts – this can even be set to zero. YouTube Shorts are short videos, usually less than 60 seconds long, which when continuously watched, can lead to excessive screentime. Furthermore, parents will also be able to set bedtime and 'take a break' reminders. You can find out more here:

<https://blog.youtube/news-and-events/updates-youtube-supervised-accounts-teens/>

If you would like to find out more about supervised accounts on YouTube, then this article explains the different settings available:

https://support.google.com/youtube/answer/10315420?hl=en-GB&ref_topic=15279060&sjid=15225282118002181205-EU

Mobile phones: do you know the risks?

We know that children having access to a smartphone can expose children to risks including:

- Viewing inappropriate content
- Excessive screen time/use, which in turn can affect their mental health and sleep pattern.
- Contact from inappropriate people/grooming
- Cyberbullying
- Spending money on in-app purchases/scams

What effects do mobile phones have on children's mental health?

Compass discuss the research around this important topic, outlining the positive and negative effects that mobile phones have:

<https://compass-uk.org/services/compass-changing-lives/online-resources/what-effects-do-mobile-phones-have-on-children-and-young-peoples-mental-health/>

EE Online Safety Hub

EE has published age guidance for smartphone usage to improve children's digital wellbeing. In summary, they recommend that children under 11 should use non-smart devices, for children aged 11-13, they advise that if a smartphone is used, then parental controls should be enabled and access to social media restricted. Finally, for 13-16-year-olds they still recommend that parental controls are implemented and appropriate restrictions set up. You can read the full guidance here:

<https://ee.co.uk/internet-online-safety>

Could you delay when your child is given a smartphone with Smartphone Free Childhood?

The premise behind this movement is that all parents/carers of a class all agree not to give their children smartphones (therefore the level of peer pressure is reduced) for a set time or until a specific age:

<https://www.smartphonefreechildhood.org/>

What device?

When you think it is the right time for your child to have a phone, then 'Which?' provide an overview of some options available:

<https://www.which.co.uk/reviews/mobile-phones/article/buying-a-first-mobile-phone-best-dumb-phones-and-smartphones-for-kids-aA03C3Y8aTzr>

Virtual Private Networks

A Virtual Private Network (VPN) helps make your connection between a device and the internet more secure and can help protect personal information and add privacy. However, whilst a VPN has benefits, it is important that you are aware that if your child is using a VPN, they may be able to get round Wi-Fi restrictions, access blocked or restricted websites and bypass parental controls. It may also mean that their browsing history is hidden.

The NSPCC provides a helpful overview of VPNs, plus top tips and conversation starters here:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/vpns-and-online-safety/>

Social Media Algorithms

What is an Algorithm?

Algorithms influence what we see on social media platforms and predict what type of content we are most likely to interact with, thereby keeping us online for longer. The algorithm uses information such as who you follow, what you have searched for and what you have watched, liked or shared to determine what it thinks most interests you. It will then show you this content more, for example, in the explore tab on Instagram.

What do I need to know?

Whilst there are benefits to algorithms, for example it means we tend to see content that does interest us, unfortunately there are negatives as well. They can lead to increased screentime as we continue to see things that interest us. Secondly, it can lead to users being shown large amounts of inappropriate content which can for example, exacerbate negative body image or heighten access to misogyny content. It can also lead to 'echo chambers' where you are only seeing content that relates to your opinion rather than seeing a balanced viewpoint.

Five Nights at Freddy's

Five Nights at Freddy's is a horror game designed to frighten players with jump scares or creepy characters. It can be accessed from several places, for example on an Xbox (PEGI rating of 12) and on the App store (age rating of 13+). There is merchandise available, which may suggest that it is child friendly. We would recommend that you preview the game first to ascertain its suitability for your child. You can view Bark's review here:

Screen time and online harms

The Royal College of Paediatrics and Child Health have created a page that brings together key resources on screen time. Find out more here:

New government campaign: Is your child influenced by toxic content?

The Government have launched a new campaign providing guidance to parents on safety settings, conversation prompts and advice for tackling misinformation and harmful content. It also includes a quiz to help you and your child spot misleading or unreliable information online. You can find out more here:

Free Easter holiday activities now open for bookings

 **Fisher, Mike**
Programme Manager

Hampshire County Council's Holiday Activities and Food (HAF) programme is back for Easter and **open for bookings!**

Funded by the Department for Education, the HAF programme enables local authorities to offer **healthy food and enriching activities for free** to children who receive benefit-related FSM during term time. Local authorities also have discretion to use a percentage of their funding to provide free or subsidised HAF places for children who are not in receipt of benefits-related FSM but who the local authority believe could benefit from HAF provision.

More than 160 HAF schemes will be running across Hampshire this Easter - these will be hosted by a variety of venues, including schools, childcare settings, community organisations, and sports providers - each offering a **variety of engaging activities**.

We kindly ask for your support in **sharing the information above and the attached district-specific flyers** with families of children in your school communities who receive benefit-related FSM, and other vulnerable families who may benefit from attending HAF schemes.

Parents and carers can **search for local schemes and book directly** with providers via the Family Information and Services Hub:

[Holiday Activities and Food Programme \(HAF\) | Hampshire CTSH](#)

The HAF team can be contacted with any queries by emailing connect4communities@hants.gov.uk, with the subject line **FAO HAF**.

Thank you for helping us ensure as many children as possible can take part in the HAF programme this Easter.
